**AUTOMATED CLEARING HOUSE DONATION PROGRAM**

In order to help parishioners fulfill the obligations of good stewardship, St. Joseph Parish is offering you the convenience of automatic payment from your bank account. For many people, this is becoming the preferred way of handling payments, rather than writing checks. By means of this system, you can make donations to the Offertory, Debt Reduction, Holy Days and Diocesan Collections automatically.

You will still have the listing of each contribution on your monthly bank statement, as well as a Contribution Statement for your taxes if requested from us at the end of the year.

Naturally, this is completely voluntary, but we hope that you will take advantage of this easy way to regularly support the Church. Please complete the required information below and indicate the amount you wish to contribute to the various collections on the back page. Place the form along with a **voided check** into a sealed envelope, and either place it in the collection basket or return it to the Parish Office.

Thank you for your support of our ministries and services.
