Religious Education Registration 2019-2020

Dear Parents,

Religious Education registrations are accepted from registered parishioners on a first come, first served basis from March 1 until August 30, 2019. *No registrations will be accepted after that time, except from families that are relocating to our parish, moving from their existing religious education program to our program. In order to ensure both the accuracy of our records and the safety of our students, we will be unable to process any registration that does not include all required information, payment, and/or documentation. Incomplete registrations will be returned.*

- ❖ Our program offers sessions during the summer and the fall, so read all session schedules and absence policies carefully before choosing one that will work best for you and your family.

- ❖ Our registration forms are fillable documents-input your specific information and then print out the completed form. Please note that our preschool program has a separate registration form. Forms may be mailed, emailed, faxed, or dropped off at the Religious Education Office. Failure to provide us with a first and second session choice for each student may delay your registration.

- ❖ A diocesan "Form A", along with any other applicable documentation, must be filled out for *each* student and returned to the Religious Education Office in order to complete registration.

- ❖ If your child has completed grade one and is enrolling in grade two you must complete a separate form, also found on the parish website, to register for Reconciliation and Eucharist sacrament preparation.

We also offer a Special Needs Religious Education program. Please contact the Religious Education Office for further information.

St. Joseph Parish has one of the largest Religious Education programs in our diocese. We are always in need of volunteers and gratefully welcome any parent that is willing to share *their* time and talent. We look forward to working with you and your family.
